Appreciation
Event

Dear Friends,

The goal of the Ronald McDonald House (RMH) is to make a difference in the lives of the children and families who stay at our "home away from home." The RHM provides housing and support services for families of children seeking medical treatment in our community. We want to express our appreciation for your generosity in support of the Ronald McDonald House. Your personal commitment is incredibly helpful and has allowed the House to exist since 1990. On behalf of the children and families we serve, we wish to thank our volunteers, corporate and individual contributors, partner hospitals and all those who support the "House that Love Built."

Sincerely,

The Ronald McDonald House of Western Michigan
